

Call for Nominations to the ALAS Board of Directors

State Affiliates:

The ALAS Board of Directors specifically seeks nominations of potential Directors to the ALAS Board from all ALAS State Affiliates. Nominations are being accepted in order to have a pool of qualified leaders to fill any vacancies. In addition, nominations for the October 2018 election of representatives from regions 1, 3,5 and 7, are also being accepted. Directors appointed to fill vacancies will serve out the remainder of the term and those elected in October 2018 will serve a three-year term through October 2021. [Elections for regions 2, 4, 6, and 8 will be held in October 2019.]

Nominations are to be submitted to the Nominations Committee to determine each nominee's satisfaction of the minimum qualifications. The Committee will then seek out written statements of acceptance from nominees, affirming their interest in serving as a Director. In February the Board will fill the vacancies from the list of eligible candidates. Eligible candidates from odd numbered regions who are not appointed, may remain on the list of nominees for the October 2018 election, provided they continue to meet the minimum qualifications.
