

## Position: **Monroe-Woodbury School Superintendent of Schools**

Join our vibrant educational community as our next School Superintendent and be a driving force in advancing student achievement. We are seeking an inspirational and visionary leader who will champion excellence in education, foster a culture of continuous improvement, and propel our students to new heights. This key role will be responsible for providing strategic direction, managing district operations, and ensuring the delivery of an exceptional education experience to our students. A successful candidate will have a prodigious ability to collaborate with diverse stakeholders, including school boards, educators, parents, and community members.

About Monroe-Woodbury Central School District: We are approximately 45 miles north of New York City. The district encompasses the towns of Monroe, most of Woodbury, and parts of Tuxedo, Chester, and Blooming Grove. The education of Monroe-Woodbury's 6,772 students, the offering of a wide variety of sports, the many co-curricular activities, and exposure to the arts are of great importance to our community.

### Responsibilities:

- Develop and implement strategic initiatives to enhance student achievement across all grade levels.
- Collaborate with educators and administrators to assess, refine, and implement effective teaching methodologies.
- Utilize data-driven decision-making to monitor student performance and implement targeted interventions.
- Lead efforts to align curriculum, instruction, and assessment practices with the goal of improving student outcomes.
- Implement innovative programs and initiatives to address diverse learning needs and promote academic excellence.

### Qualifications:

- Must possess or be eligible for the NY State School Administrator (SDA) or NY State School District Leader (SDL) certification.
- Extensive experience in educational leadership, with a focus on improving academic outcomes.
- Strong understanding of assessment practices, curriculum development, and differentiated instruction.
- Excellent communication skills to engage stakeholders and build collaborative relationships.
- Demonstrated ability to leverage data, technology, and research-based strategies to enhance learning outcomes.

Salary and benefits are regionally competitive.

Interested candidates are invited to apply by going to [www.applitrack.com/districtwise/onlineapp](http://www.applitrack.com/districtwise/onlineapp).

The deadline for application submission is March 22, 2024.

The selected candidate is expected to assume the position in July 2024.

Monroe-Woodbury Central School District is an equal opportunity employer.
